

I Will Carry You (Audrey's Song)

by Todd Smith, Angela Carole Smith, Christa Wells

There were photographs I wanted to take	Such a short time
Things I wanted to show you	Such a long road
Sing sweet lullabies	All this madness but I know
Wipe your teary eyes	That the silence
Who could love you like this?	Has brought me to His voice And He says
People say that I am brave but I'm not	I've shown her photographs Of time beginning
Truth is I'm barely hanging on	Walked her through the parted seas
But there's a greater story	Angel lullabies
Written long before me	No more teary eyes
Because He loves you like this	Who could love her like this?
So I will carry you	So I will carry you
While your heart beats here	While your heart beats here
Long beyond the empty cradle	Long beyond the empty cradle
Through the coming years	Through the coming years
I will carry you	I will carry you
All my life	All your life
And I will praise the One who's chosen me	And I will praise the One who's chosen me
To carry you	To carry you
